

SEVILLE BOARD OF PUBLIC AFFAIRS
June 7, 2010

used. Any rate increase will go through the proper legislative process and residents will be properly informed of the process. There was also a question about buying the land in Wayne County that our water treatment plant is on. Mr. Bittaker said that this has been tried in the past but the owner is not interested in selling the land.

NEW BUSINESS:

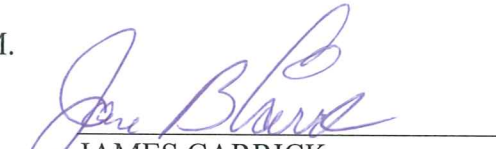

Council women Kathy Rhoads asked if there is an inventory list of all vehicles the Village owns. There is such a list.

Mr. Greer moved to adjourn. The motion was seconded by Mr. O'Rourke. The motion passed unanimously.

The meeting was adjourned at 7:03 PM.
