

SEVILLE BOARD OF PUBLIC AFFAIRS

July 05, 2011

NEW BUSINESS:

Mr. Johnson noted that there is a sidewalk collapsing on High Street which may be a sewer problem. Mr. Bittaker will look into the problem.

Mr. Johnson stated that he is against the current ordinance before council to change the format of council and committee minutes from the current method of written minutes to having audio recordings of meetings become the official minutes. There was a brief discussion of this issue and it will be taken up at the next Technology Committee meeting.

Mr. Johnson moved to adjourn. The motion was seconded by Mr. O'Rourke. The motion passed unanimously.

The meeting was adjourned at 7:12 PM.
