Privilege of the floor:

Mayor Carter asked about painting the new water towers with a special paint scheme. The additional cost and the fact that the painting is scheduled to commence soon, will not allow for any changes in the current painting plan.

Seville resident Rick Stallard asked about changing the policy the Board has for the transferring utilities to a new renter or buyer. The Law Director will be consulted on what changes can or should be made to the current policy. Mrs. Shultz pointed out that the office staff does try to work with new customers when possible.

Councilwoman Leslie Miller noted that there will be a concert sponsored by the Library District on Tuesday night in the Council chamber.
